**TO WHOM IT MAY CONCERN**

I have known Guy Hudson for a number of years through using his services for water Dowsing. Guy has found water for two of our farms and has just recently carried out a survey on our new house in Haslemere for which he also found water.

We have always been very happy with the service that Guy provides and have always found him to be extremely pleasant, with a totally professional and caring approach to his work.

I would have no hesitation recommending Guy to anyone.
